Located on one of the best beaches in The Bahamas, Ten Bay Paradise is a vacation rental that has it all! Breathtaking views with crystal clear Caribbean waters, Ten Bay Beach is a family favorite. On the Caribbean side of the island, the water is shallow and perfect for sunning, taking kids into the water, and kayaking or paddleboarding.

From the Ten Bay Paradise house, it is a short walk (less than 10 minutes) to the private path to access the beach. Feeling adventurous? Hop in the kayak and paddle to the sandy shore in minutes. If you prefer to drive, there is a small area where you can park your car under the trees, which provide much appreciated shade during the hot summer months. The beauty of staying at Ten Bay Paradise is the easy access to your vacation rental. Pack a picnic and all your water sports for the day and head to one of the best beaches on Eleuthera right in your backyard.
